I petitioner come before the courts to Modify Restitution Payments.
I, petitioner Lea Shawnay Bell ask said courts during the period of incarceration, to defer payments until said petitioner is transferred to a facility that has the occupational capacity to employ. Petitioner is currently housed at S.F.F. Hazelton prison, where employment is hard to gain. This can be verified through the said petitioners Case Manager. The petitioner seeks at this time for the court to establish a set payment plan of \$25.00 per quarter. The petitioner asks that the court will advise that the order of payment be honored by the F.B.O.P.

We respectfully thank the court for their time. We expect the court will deem what is just and proper.

CASE NO. 11-20594-CR-MARTINEZ

UNITED STATES OF AMERICA

vs.

NATALIE M. EVANS,
a/k/a Natalie Smiley Evans

Defendant.

**THE RESPONSE OF THE GOVERNMENT AND U.S. PROBATION TO
DEFENDANT'S MOTION TO MODIFY RESTITUTION JUDGMENT**

The United States, by and through the undersigned Trial Attorney, respectfully submits this Response of the Government and U.S. Probation to Defendant's Motion To Modify Restitution Judgment (D.E. #83). The defendant by her motion represents that she is unable to find work where she is presently incarcerated and, therefore, seeks to have the Court modify the restitution obligations of the Judgment (D.E. #76) entered in her case in order (1) to stay any obligation to pay restitution during the period of her incarceration until she is able to find employment in a Federal Prison Industries (UNICOR) job, and (2) to set a requirement that the defendant pay a maximum of \$25.00 per quarter toward her restitution obligations during any period in which she is employed in a UNICOR job.

The Government has conferred with U.S. Probation and is prepared to agree to the defendant's request for a stay in the defendant's obligation to pay restitution during the period of her incarceration until she is able to find employment in a UNICOR job. It is, however, the position of the Government and the recommendation of U.S. Probation that the defendant's restitution obligations should remain unchanged in all other respects. Pursuant to the Judgment, the defendant is required to pay 50% of wages earned through a UNICOR job toward the financial obligations
